American Craftsmanship is Still Alive at Aywon.

- ✓ Every product is hand-built by people who care about quality.
- ✓ Every item we sell passes a rigorous inspection process.
- ✓ Look on the back of your new Aywon product. You will probably see the name of the person who built it.

Aywon builds products with a “fit and finish” that says quality.
(Shown: Corner detail of a Big Apple Marker Board)

Manufacturers of Custom Quality Chalk Boards, Marker Boards, Bulletin Boards and Display Cases

Even our value-priced products are built to tight specifications
(Shown: Value Series Marker Board with Silver Frame)

Corners are filed smooth to avoid sharp edges and damaged clothes.
(Shown: J Series back panel.)

Manufacturers of Custom Quality Chalk Boards, Marker Boards, Bulletin Boards and Display Cases

Aywon builds products our customers are proud to own.
(Shown: Hardwood Bulletin Board with Forbo Cork)

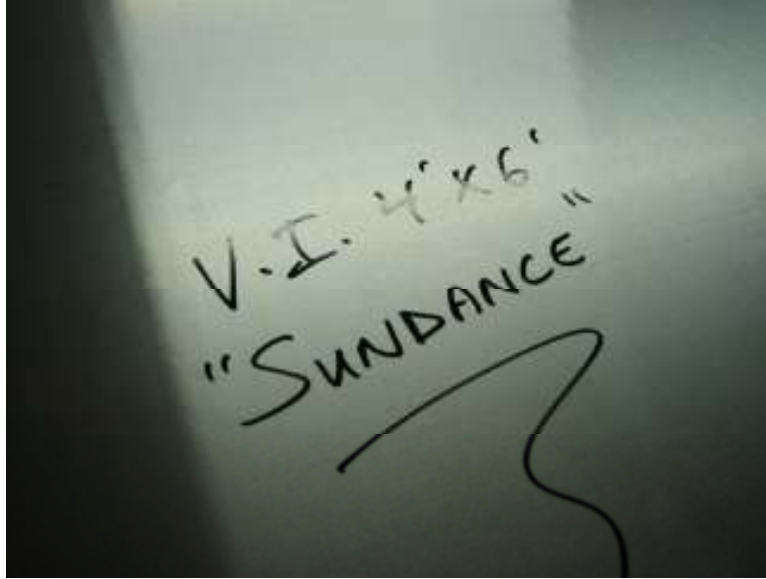

Tape is often applied during assembly to avoid scratches.
(Shown: AY 10 chalk tray being installed on a two-board "slider".)

Manufacturers of Custom Quality Chalk Boards, Marker Boards, Bulletin Boards and Display Cases

Aywon employees are proud of their work and often add their signature.
(Shown: Aluminum backing on a Marker Board)

This board was rejected for a scratch that most customers would never notice.
